

Out of Sight... Out of Mind.

LIGHTWEIGHT, LOW COST, NON-INSULATED – A SOLUTION FOR EVERY NEED.

At *HOT BOX*®, we know that fighting vandals, frozen valves, meters and pumps means staying ahead of the game and staying on top of what goes around your above ground water equipment. Since 1986, we've been leading the industry in creating secure enclosures, offering a line of products ranging from aluminum to fiberglass to polyethylene.

 **ASSE 1060 Certified**
